Scout Camp is more than just Merit Badges. That's why Camp Kern offers a well rounded program with opportunities for adventure! Take a hike with your Troop, go fishing at the waterfront or make reservations for a Troop shoot at the rifle range. You can even set out on a trek on horseback!

We've got merit badge courses too, like the awesome Bryan Batey Sailing Academy where sailing isn't just a merit badge, its an experience.

So what are you waiting for? Reserve your spot for Camp Kern in 2012 today!
